9th February 2012

Dear Ms Barnes,

**Re Whitecleave Quarry ROMP Complaint**

Thank you for your letter of 8th February 2012 which we have placed on our website to enable the community to understand where we are in this process.

We wish to point out that there appears to be some misunderstanding. I registered this complaint on behalf of the community. The community is the complainant. Several hundred people living in Buckfastleigh have voiced concern with regards to a very high profile site of serious public interest.

Members of the steering group of the Community Forum have now had a chance to briefly discuss your response. We are universal in our understanding that the legitimate course of action is for you to forward to us (in electronic form) the report for our consideration.

This will maximise the value of any subsequent meeting. Thank you for your compliance in this matter.

Yours sincerely,

*Neil*
